Thank you to Dr. Faith Timbang of Kessler Family Wellness for hosting this week's morning meeting at her offices! Dr. Timbang is a Doctor of Chiropractic, and although she works at a center that treats a great deal of mixed martial artists, she stresses that "We are all fighters" when it comes to the everyday aches and pains that each of us has to endure.

Dr. Timbang pointed out that someone who is tense or guarded in their posture is actually naturally protecting parts of their body from pain. Chiropractic adjustments, physical therapy exercises, acupuncture, therapeutic massage, and ice/heat therapy are all ways to combat pain, shortening your recovery time to get you feeling better than you did before the problems began. All of these services are offered in-house at Kessler Family Wellness, creating a one-stop support team focused on YOUR recovery.

Founded by Dr. William Kessler, a former fighter himself, Kessler Family Wellness has a staff of 27, including four on-site chiropractors, and nine massage therapists ranging from

relaxing, heavenly Swedish massage, to tough-as-nails deep tissue sports massage. Depending on your goals, the staff and doctors take the guesswork out of which level of massage, and which treatments will most benefit you. Dr. Timbang says, "Be patient, your body CAN adapt, and you can fight the pain!" Thank you for having us, "Dr. Faith", and thank you for inspiring us to take care of ourselves!

Thought for the Week

Don't aspire to be the best on the team. Aspire to be the best FOR the team.
