PRESIDENT'S MESSAGE

Happy New Year to Y'all!

It's 2022 and we are off and running!

Thank you to all of those who attended our meeting this week via Zoom. I appreciate you attending and participating in the round table

conversation we had regarding cost increases, and the changes we've made to our businesses to run better based on what's going on in the business world.

We shared lots of information about our own businesses and how what's going on in the world these days is affecting our profitability, and the way we run our businesses.

A "MADE ME SMILE" MOMENT: It was nice seeing all the puppies on our Zoom call this morning. We should have a pet picture of the month/week in our newsletter. We all love our fur babies.

My wish for all of us is that we continue to be successful in our businesses. We continue to lean on each other as business owners to learn about the economy and the changes it will bring.

We are a strong source of information, knowledge, and experience. As our number of years of experience in our group exceeds 1000, it only proves that it's worthwhile to pull the strengths of a team.

Please get on the EAOC calendar to share your business with us! We are your salesforce, and we would love to learn more about you and your business.

Happy New Year!
