determine any existing environmental concerns.

The team then develops a program to treat the entire structure, including the interior AND exterior of the home or business. Technicians monitor the problem to assure the targeted pest has been safely eliminated.

Technicians at Divert Pest Control are state certified, and trained pest management professionals that solve pest problems with GUARANTEED RESULTS. They work with insects, rodents, birds, termites, and animal trapping and relocation.

Helping to provide a safe sanctuary for you and your loved ones against unwanted pests is their number one priority!

To discuss your extermination needs with Tyler, or to learn about how he can keep your home or business pest-free around the year, please contact 714-299-9118.
