### WATER FILTRATION SYSTEMS SIMPLIFIED, WITH RON DYMEK OF DYMEK'S FREEDOM PLUMBING

Several EAOC members have already worked with [Ron Dymek, of Dymek's Freedom Plumbing](#), on adding tankless water heaters and water conditioners to their homes. So, in this week's morning meeting, we were excited to hear what all the buzz has been about, and to get first-hand homeowner reviews of these systems, including learning all about the whole house perks of installing a water conditioner.

As Ron says, your BODY can be your water's filtration system, or you can just BUY one. We all know we have hard water in our area, but did you know that there are Chlorine and Chloramines in our city water that is

to kill bacteria in our tap water? They will damage your plumbing and your brand-new appliances, and also make their way into our bodies through our drinking water. So, is your water safe to drink?

Ron's Evince Insight eliminates ammonia, VOC's, chlorine, pesticides, fertilizers, and chloramines, so you can drink clean, filtered water from any faucet in your house. And, all without the need to add salt or chemicals.

The pre-filter, the Nuvia Proprietary 5 Micron ScaleAmor Filtration, and the Media-blend prevents the formation of scale, and eliminates existing scale (hard water), by accelerating the transformation of calcium and magnesium minerals into harmless microscopic particles.

With a whole house filtration system, there will be no more chlorine damage to your copper pipes, and no more bad taste or odor to your tap water, completely eliminating the need for bottled water. This is clearly great for drinking and cooking, but also for bathing, for pets, plants, and landscaping.

## PRESIDENT'S MESSAGE

Hello EAOC!

We hope everyone had a wonderful Valentine's Day, and I especially want to thank Diana of Deelux Florista & Events for the lovely floral arrangement she prepared and delivered to my wife, Shaun, at her

work. It certainly helped smooth things over when I received a panic text during the meeting, telling me I had BOTH of her car's key fobs!

Shaun's flowers have been the envy of everyone at her school. I will definitely give Diana a 5-Star review on her Yelp page: <https://yelp.to/Ocr3wopIrx>

I'm sorry I had to run out of my own presentation on water conditioning vs water softeners. If anyone has any questions, please email me. Also, I can schedule a complimentary water test at your home.

Welcome Aboard to our newest member, Dan Tatum of Eberhardt's Tire and Automotive! And a warm welcome to our two guests this week, Miguel Cantu with Miguel's Body Works (Sammy Montoya's guest), and Carla Mullet of Instant Cash Offer (Lisa McCune's guest), who is applying for a newly opened classification of Used Car Purchaser. Carla's classification would complement Mike Hughes's NEW car sales classification quite nicely, and we hope to see her next week.

We will see everyone next Wednesday at 7:00 am for Danny Baker's first PAV-KOTE presentation with the group. It should be very interesting, so please make sure to join us!

Have a great weekend.

Ron
