CONFETTI EVENTS: YOUR FIRST CALL IN PARTY PLANNING

In this week's morning meeting, we had the pleasure of hearing the ins and outs of event planning from Manny Gonzalez of [Confetti Events and Catering](#).

Imagine that you have just agreed to host an event for 100 people; the very first call that you make should be to Manny and his team. With one phone call, every single aspect of the event would be handled by one company, aside from cake and flowers (which Confetti has tried and true referrals for). Event planning just became SIMPLE!

Confetti has everything from tables and chairs, to dance floors and photo booths—not to mention,

**TO SUCCEED IN
BUSINESS IT'S NOT
WHAT

YOU KNOW THAT

PRESIDENT'S MESSAGE

HAPPY ST. PATRICKS DAY!

The time change can take a toll on your sleeping regiments, I sure felt it this year. It was dark when I left my home to make my way to The

Green Parrot Villa to network with my fellow members of the EAOC. Thank you to those of you that made it out to learn more about our featured presenter.

Manny Gonzalez of Confetti Events & Catering shared with us a little history about his company, a family owned and operated event planning business. Life is always a party at Confetti Events & Catering. We viewed some fantastic displays of recent events. A one stop shop for all things needed for your events. Manny uses a variety of vendors as well to complete your celebratory event. Thank you for sharing with us Manny!

Be sure to follow up with Katie to book your presentation to our group. It's your time to teach us what you do, how you do it and for whom you do it. You get plenty of social media coverage when you do present.

Social media is awesome for our businesses. Just ask Manny who is experiencing an influx of NEW BUSINESS because of a video going viral at one of his events. It works.

Hoping that everyone is doing well, taking care of business and enjoying the benefits of what Spring brings us.

Take care,

Gizi
