## The EAOC Weekly

### SPOTLIGHT ON: ATOMY'S YON HIMELMAN

This week's morning meeting was as educational as it was beautiful!

ATOMY's Yon Himelman, our trusted beauty and wellness products expert, treated us to a workshop at her stunning Santa Ana business location, ATOMY Emerald Education Center. EAOC members were gifted samples of several of Yon's popular vitamins and supplements, as well as antimicrobial cleaning products and demonstrations.

ATOMY is an award-winning company that originated in South Korea, and is becoming famous worldwide for their affordable **QUALITY** products.

Currently, ATOMY products are available in 21 countries, and they are not stopping there.

Atomy's members-only online shopping mall offers items ranging from beauty, health, personal care, lifestyle, and even food! Because all of their products are high quality AND extremely affordable, customers are incredibly loyal, and quickly become ATOMY members themselves. With no membership fee, cash back rewards and product points, it's easy to see why customers-turned-members have fallen in love with the brand. Many EAOC members in the room today can say the same.

We are grateful to have Yon in the EAOC roster, and look forward to feeling (and looking!) our best through the products that she provides.

## PRESIDENT'S MESSAGE

Hello EAO C!

Thank you to Yon Himelman for hosting this week's meeting at the Emerald Training Center.

We appreciate the samples you give out, and learning about the quality of the products Atomy offers. Many of our members are using the Atomy products on a regular basis.

Next week's meeting at the Green Parrot Villa will be a special 90-minute training and presentation by the Los Angeles Police Department for Active Shooting.

Unfortunately, we live in a day where we could find ourselves in an Active Shooting situation at any public place. We hope everyone will arrive on time at 6:45 AM so we can start promptly at 7:00 AM.

If you haven't heard, our chapter had a combined business income of over \$647,000,000.00 last year. That is a substantial increase from 2022.

Thank you to Carlos for this week's membership moment and remember, If everyone was able to have one new member join our chapter this year, we all would see a significant increase in our business.

Ron
